Goat's Head

In the Bible, according to the Book of Leviticus,
Aaron the priest was commanded to
cast lots on two goat hairs.
One of the hairs was chosen to be a sin offering to God
and the other was to "Azazel".
Aaron put his hands on the goat's head and confessed all
the sins and crimes of the people of Israel,
making the goat carry the sins with him,
The goat was then sent by a special messenger called
"Man of Time" to "Azazel" in the wilderness,
To be left to its destiny, as a sacrifice for Satan.

Azazel is a combination of two words:
[Ez] - Goat
[Azal] - To have run out(none left)

Fire and Pentagram

According to the Book of "Zohar"(Radiance):
Before the Goat was sent to Satan,
The priests would flare a small fire above his head,
Which represents the Sins of Israel.

The Pentagram represents the number Five,
Which in Hebrew to say "Five"
Is literally to say "Hot-Fire".

Why would Satan accept receiving all of Israel's sins ?
Satan is proud that his name and God's name are together, showing him as equal to God.
Which is God's way of luring Satan to take the Sins.

This sacrifice redeems the Israelites of ALL sins.

Proverbs 25:22:
"In doing this, you will heap burning coals on his head, and the LORD will reward you"

Arms and Hands Gestures

What is the meaning of the Arms Gesture ?
Two Sacrifices, one to Heavens(up) and one to Hell(down)
The Sacrifice to God was killed. (Dissolved)
The Sacrifice to Satan was left to its destiny, intact.
(Coagulated - to become into a coherent mass)

What is the meaning of the Hands Gesture ?
The two Sacrifices are the two pointing fingers,
And the two Powers are the two folded fingers.

Why is the Thumb folded in the "UP" pose ?
Because the sacrifice to god was killed.
(Like the roman thumb up for life and down for death)

The Israelites Literally Bribe Satan

They rationalize it as "Satan is working for God, and God commanded it, so it's for God".

Moons

Traditionally, before the days of electricity, airplanes and artificial lighting, women would Bleed with the New Moon – cleansing and renewing and Ovulate with the Full Moon – growing into fertile abundance

The Waning(shrinking) Crescent - representing God.
Is the 8th and final phase in the cycle of phases.
The Moon rising around 3 AM, and setting around 3 PM.

The Waning(shrinking) Gibbous - representing Satan.
Is the 6th phase in the cycle of phases.
The Moon rises after sunset, transits the meridian after midnight and sets after sunrise.

I DO NOT know why
The 6th and the 8th phases were selected,
How they represents God(8?) and Satan(6?)
And what is their connection to Conception(Pregnancy) or The Ritual ?
